JULIO BIALECKI

WEB DESIGNER
FRONTEND DEVELOPER

BRAZILIAN/POLISH
36 YEARS OLD - MARRIED

Working 15 years in the market design, I
have a great experience in the area,
including overseas, developing several
projects in the area of Graphic Design /
Editorial, but mainly in the area of Digital
Design (projective analysis, information
architecture, interface creation, multimedia
creation, programming and develop-
ment, optimization, etc.), which is my
focus, besides objectivity, commitment
and business experience.

My Graduation consists of Graphic and
Digital Design by the Universidade Tuiuti
do Paraná (UTP-PR) and Industrial
Design focused in Visual Programming
and Design Product by the Pontifícia
Universidade Católica do Paraná
(PUC-PR).
